## Panda 909 Coin Deposit System

### A unique line of self-service

CTcoin has developed a series of self-service cash deposit machines named Panda.

CTcoin's developing engineers and designers have focused on making a high-speed coin-counting machine working at an extremely low noise level. The machines are in a practical design, easy to use and suitable for most modern interiors.

### A reliable cash deposit machine

CTcoin's 5<sup>th</sup> generation alloy sensor technology ensures highest counting accuracy and rejects foreign coins, counterfeit coins and tokens etc.

### Improved features:

- 7" touch screen
- 24 volt running machine
- USB Connection

### Panda 909 offers all the well-known CTcoin advantages
